Sabanan

Console

Limited edition

Sabanan, “the third” in Bambara, continues the study begun with Sama: a piece built entirely on the circle.

Three round tops make up the console. The middle one sits slightly higher, and that small offset sets the whole line in motion. Black paint unifies the piece and sharpens its graphic quality, so each circle reads as part of a strict composition.

Materials: Fraké wood (*Terminalia superba*), Yundé wood

Finish: Black paint

Dimensions: 90 × 142 × 55 cm

Year: 2023

Production time: 6 to 8 weeks
