Teri

Limited edition

Coffee table and 4 stools

Teri, “the friend” in Bambara, is a coffee table with an organic, asymmetric form. Its curves take in four satellite stools and bring the people around it closer together.

It is made in Amazakoué, a local hardwood still rarely used in contemporary design, and lets the grain and density of the wood carry its presence.

Material: Amazakoué wood (*Guibourtia ehie*)

Finish: Matt varnish

Dimensions: 120 × 105 × 42 cm

Year: 2022

Production time: 6 to 8 weeks

Limited edition of 7 + 2 artist’s proofs

Signed with a branding iron and accompanied by a certificate of authenticity

Handmade in Côte d’Ivoire
